

SIPRNET account access is predicated on academic need-to-know while assigned to the NWC. Previous assignments do not normally form the basis for a NWC SIPRNET account. Therefore, the great majority of NWC students will have no need for control of classified information or access to the SIPRNET. However, a limited number of individual SIPRNET accounts will be issued to students who have a bonafide need. The Security Office handles all requests and will require a positive endorsement from the academic advisor, seminar moderator, or the Dean of Students, as applicable.

### Parking

Parking at NWC is limited and there are insufficient spaces to accommodate each individual's vehicle; therefore, carpooling is encouraged. Covered parking is provided in semi-enclosed garages beneath Hewitt Hall. The Hewitt garage is designated for STUDENT (yellow stickers) parking, and contains a number of open as well as carpool-designated spaces. Conolly/Spruance P-1 level is designated for STAFF green stickers, official vehicles and medical. Conolly/Spruance P-2 level and the alleyway between Luce, Mahan, and Pringle Halls are designated for STAFF blue stickers and STAFF CARPOOL parking only. Access to garages is gained from the rear (seaside) road. There is a smaller parking area in the McCarty-Little parking lot that is designated for STUDENTS, however the larger McCarty-Little parking lot is designated for blue or green stickers only.

Open parking is also available: In the Hampshire Field Parking Lot between Sims Hall and Gym 109; between the wings at Sims Hall; and behind Hewitt Hall. The spaces across from the main entrance on Cushing Road are also normally available; however, these spaces may occasionally be reserved for guests and VIPs. In these cases, signs will be posted to reserve the spaces. Annex D, a schematic of NWC parking, is included for reference.

### Fire Alarms

The telephone number for reporting fires is 911. Students must be familiar with location of exits and procedures to properly react to a fire. NAVWARCOLINST 11320.1 is available in the Dean of Students Office to orient the student in this regard.

In general, in case of fire:

- Be familiar with exits.
- Never fight a fire alone; always sound the alarm and alert others.
- Do not use elevators to leave the building.

- If time and conditions permit, classified material should be properly stowed.

Above all, students must respond to fire alarms by exiting the building in an orderly fashion.

### Medical

The Naval War College has a full time Independent Duty Corpsman (IDC) and clinic in Room C-110. The IDC is available for sickcall, Monday through Friday from 0730 to 0830, and 1230 to 1330, and throughout the day (with the exception of 1100-1230) for walk-ins. Services include the ability to dispense some commonly prescribed medications, and to write some prescriptions and refills. Additionally, the IDC can facilitate a consultation with a physician if necessary. Military students are required to see the IDC at the NWC clinic for non-emergency treatment prior to going to the Navy Ambulatory Care Clinic. Additionally, students must inform the IDC of any scheduled required or elective surgery. In so far as possible, elective procedures will be scheduled on a not to interfere basis with the academic schedule.

### Flight Physicals

Flight physicals are available for **ALL** military services by contacting the NWC Independent Duty Corpsman either in person, via telephone or e-mail. Due to the limited availability of flight surgeons, the IDC will contact aviators monthly via email to schedule appointments. Flight physicals begin at 0630 with lab work, tests, etc., so that a minimum of class time is missed.

### Ambulance

The base Fire Department provides an ambulance service for dispatch to all on base and some housing area medical emergencies through telephone 911. For residents of Greene Lane, Melville, or Fort Adams government housing areas, calls to this number will be forwarded to the local city fire department rescue squad serving that area to reduce reaction time. If you live off base in private housing, you are required to call 911 for ambulance service. The ambulance crew should be informed of your military status, and the casualty brought to the Newport Hospital Emergency Room.

### Dental

NWC has a full time dentist and a fully equipped clinic in Room C-106. Dental records for all military personnel are maintained at the College. Non-emergency treatment may be scheduled by making an appointment in person or by phone: 841-4305. Emergency treatment is available immediately.
